1. Summary of feedback and tasks to do:

1.1 Home Page:

- Move Sign-up, Sign-in to the right (right most option)
- Brighter (font color) for Sign-up/Sign-in/Post/About-Us buttons to increase visibility
- Pull-down menus go to the left of “Search”
- Search to go to right of “Pull-down” menus
- Search button to be brighter to increase visibility
- Replace “Post” option on navbar to “Post New Listing”
- Replace the word “Any” in the “Distance” filter with “Distance from SFSU”
- In the “All types” filter change title to “Rent/Sell”
- Below the Navbar add description for “what the site does/ what is it about”
- Include the “Message” button in all the “Listings” displayed on the homepage (below the picture and description of each listing). This has to be visible only if the user’s email ends with “@mail.sfsu.edu” or “@sfsu.edu”
- No need to display “Total number of listings” on the homepage. Display it only when search/filter is applied

1.2 New Listing Page:

- At the bottom mention “*” means “mandatory fields”

1.3 Sign-in Page:

- Include “Forgot password”

1.4 Listing Detail Page:

- Listing detail page to open in a new tab
- Increase font size of listing details
- Image and map to be aligned

1.5 User Dashboard:

- Show the “Total number of listings” on the top
- Messages: Show the “Date/Timestamp” of sent/received

1.6 GitHub:

- Commit messages need to be more specific and descriptive

1.7 Others:

- Code review: Include headers, In-line comments
- Keep all the terminologies consistent
